

SERVICE & LEADERSHIP THEME HOUSE

Started in fall 2005, the Service and Leadership program is a partnership with the Apples Service-Learning program and UNC Housing to provide students a variety of service-learning opportunities, an introduction to social awareness, and a chance to further enhance their leadership skills.

Located on the 4th floor of Ehringhaus Hall, Service and Leadership will be supported by upper-class student mentors, dedicated to the development and success of both the program and the participating students. Various university faculty and staff are also available for guidance and interaction.

"I ENJOYED ENGAGING IN ACTIVITIES THAT LED TO SELF-ENRICHMENT AS WELL AS ALLOWED ME THE OPPORTUNITY TO HELP OTHERS. THESE EXPERIENCES HAVE ENCOURAGED ME TO CONTINUE SERVICE."
