**North Carolina in the World** is a statewide collaborative project, coordinated by the

Center for International Understanding, to prepare students to be citizens, workers, and leaders in the global age of the 21st Century.

<http://ciu.northcarolina.edu>

The **Public School Forum of NC** is a not-for-profit policy think tank which is a partnership of business leaders, education leaders, and government leaders in North Carolina.

[www.ncforum.org](http://www.ncforum.org)

**World View**, a public service program of the University of North Carolina at Chapel Hill, helps educators prepare

students to succeed in an interconnected world by integrating global studies into every area of the curriculum.
