

Student Exercises: Icons of France

1. In what perspectives is the Eiffel Tower presented in the texts?
2. Describe and comment on the visual representations of the tower. What new understandings of the tower do they suggest?
3. Plan a route to other monuments and areas of Paris presented here. Locate them on the map of Paris and prepare a metro voyage to arrive at your destinations.
4. Propose your own visit of Paris based on the information you have found on this site.

-
5. Can you describe the evolution of Paris from an architectural standpoint during the course of the 20th century, beginning with the Eiffel Tower?
 6. Examine the illustrations of the World's Fairs. What are the goals of the expositions? What aspects of culture do they emphasize?
 7. Prepare a presentation on an artist or an artistic movement based on one of the museum links in Paris.
