

Announcement of Faculty Position

**Department of Exercise and Sport Science
The University of North Carolina at Chapel Hill**

Specialization(s): **Neuromechanics; Research Design and Statistics**

Rank: Assistant Professor

Term: Nine-Month Tenure Track Appointment with Possibility of Summer School

Salary: Commensurate with qualifications and experience

Starting Date: July 1, 2010

Qualifications

- An earned Doctorate with emphasis in areas of neuromechanics such as biomechanics, neuromuscular control, neuropsychology, neuroanatomy, and neuroimaging
- Demonstrated record of research publication in sport related concussion or neurotrauma
- Collegiate-level teaching experience in areas of neuromechanics, research design and statistics, and/or related exercise and sport science areas
- Record of involvement in internally and/or externally funded grants; fundable research interests
- Demonstrated ability and interest in advising undergraduate and graduate research projects

Responsibilities

- Teach courses in areas of neuromechanics, anatomy, research design and statistics depending on experience
- Experience and interest to conduct independent research in area of sport-related concussion and neurotrauma
- Contribute to current research in the area of biomechanics and neuroimaging of sport-related head injury; symptomatology, neuropsychological and balance testing following concussion; education and awareness for concussion prevention; and long-term consequences of sport-related concussion.
- Pursue grant funding individually and as part of a research team
- Serve as an advisor for undergraduate honors theses, masters theses and doctoral dissertation research
- Participate collegially in departmental and university service and governance functions
- Perform other responsibilities as may be assigned by the Chair of the department

Application Instructions

Applicants must apply online at URL: jobs.unc.edu/1002054 and attach:

- 1) Letter of application (including names and contact information of four academic references)
- 2) Curriculum vitae
- 3) Statement of research interests and agenda
- 4) Statement of teaching philosophy and interests

In addition, four letters of reference should be submitted by mail to: Darin A. Padua, PhD, ATC, Search Committee Chair, Department of Exercise and Sport Science, CB#8700 Fetzer, University of North Carolina at Chapel Hill, Chapel Hill, NC 27599-8700.

Email: dpadua@email.unc.edu; Phone (919) 843-5117; Fax (919) 962-0489.

- Review of applications will begin December 1, 2009 and will continue until the position is filled.
