25th NC-MSEN Celebration & WSSU 5th NC-MSEN Anniversary

On December 12, 2009 the WSSU Program celebrated the 25th Anniversary of the NC-MSEN Program. In conjunction with this program WSSU also celebrated the 5th Anniversary of the NC-MSEN program on the campus of WSSU. The celebration was held at the Hawthorne Inn and Conference Center in Winston-Salem, NC. The event was attended by NC Representative Larry Womble, WSSU Provost Brenda Allen, WSSU Dean of Arts and Sciences Charles Ford, and the NC-MSEN executive office leaders. Students and their parents were entertained by the WSSU Jazz Band. Many teachers and students shared reflections on the past 5 years of the MSEN Program at WSSU. Former students shared their success stories with guests in attendance and spoke with emphasis how the MSEN Program helped them with their career endeavors. After a slide presentation and reflections guests participated in a buffet style lunch.

WSSU NC-MSEN Students Excels outside of the Classroom

Ms. Eden Tackett a junior at the WSSU NC-MSEN Program is no stranger to academic success. Ms. Tackett had been the recipient of many awards for her academic performances. However, what many people do not know is that she is equally endowed in offering herself as a volunteer and Girl Scout.

Ms. Tackett has recently been selected to represent the Girl Scouts of North Carolina during Girl Scout week (March 8-12) at the North Carolina Governor's Office. She was 1 of 4 picked from the Triad area. She's a little nervous. She has to stay with a host family in Raleigh.

In January of 2009 Ms. Tackett was selected as the Modern Automotive Citizen of the month for her volunteer work at local rest homes and her work at SciWork Museum in Winston-Salem, NC. Modern Automotive donated \$1,000 dollars in her name to a charity of her choice.

Lastly, Ms. Tackett, has been selected to interview for the Dean Prim Scholarship. If Ms. Tackett receives this honor she will be eligible to go to China for 2

weeks in summer 2010. She will be interviewed on January 25, 2010. We wish her much success on her interview. It is a honor just to be selected for an interview to go.
