2012 Summer Scholars

The Winston-Salem State University's (WSSU) 2012 NC-MSEN Pre-College Summer Scholars Program will be held on June 18-June 30, 2012 on the campus of WSSU. The program was held Monday through Friday from 8am until 5pm with lunch served each day.

The summer format will consist of each class lasting 105 minutes. In an attempt to give the young scholars the "full" college experience, students will have the option of "going residential." Both residential and non-residential students will take part in the academic sessions during the day however, residential students will gain access to a multitude of evening activities which include movie night, skate night, game night, etc.

All students will participate in the Awards Day Ceremony and Talent Show along with the 3 days 2 nights summer scholars field trip to Alabama to visit Tuskegee University, Tuskegee Airmen and Rosa Parks Museum, McWanes Science Center and the Six Flags Amusement park (Atlanta, GA).
