- P.E.R.S.I.S.T.

IMPORTANT DATES

Awards Program	May 2
Summer Scholars	June 22
PERSIST Award Day	July 11
NC-MSEN Begins	Sept. 19

Summer Scholars

The Winston-Salem State University's (WSSU) 2008-09 NC-MSEN Pre-College Summer Scholars Program will be June 22-July 2, 2009 on the campus of WSSU. The program will be held Monday through Friday from 8am until 5pm. Each student will be served lunch and on each day.

The summer format will be the same as the Saturday Academy; however, each class will be extended to run for 120 minutes. This will allow students to get more curriculum and instruction in mathematics, science, English, and career explorations.

The last day of the Summer Academy (July 2) we have scheduled a trip to Carowinds Amusement Park.

WSSU AWARDS DAY 2009

The NC-MSEN Awards Day was held on May 2, 2009. Mr. Keith Grandberry from the Winston-Salem Urban League was the guest speaker.

All of the WSSU NC-MSEN student participants received recognition for their attendance and participation. We also recognized the P.I.E. officers for their hard work and support throughout the year.

We had one graduating senior, Kyhanna McCall, who received a \$500 scholarship from the Winston-Salem Urban League.

Summer Internships

We would like to extend congratulations to WSSU NC-MSEN students who have received internships to participate at various college campuses this summer. The WSSU NC-MSEN office always encourages students to do summer internships and will assist you in the application process. All students who applied this this year with the exception of one were accepted into the programs of their choice. Join the list next year!

Internships

Eden Tackett (NC.State)
Maryel Simmons (NC.State)

Ms. Shawana Dowd was the P.E.R.S.I.S.T. advisor this year. We had six student participants and two of these students, Maryel Simmons and Eden Tackett are attending the S.C.R.I.B.L.E.S. program at NC State University this summer.

Eden Tackett was also featured as WXII-12 Citizen of the Month and was featured in a television commercial.
