

P.E.R.S.I.S.T. Scholars and National Science Decathlon

The following P.E.R.S.I.S.T. scholars listed on the Table were members of the UNC Chapel Hill NC-MSEN Pre-College Program (PCP) National Science Decathlon Team. The National Science Decathlon Tournament was held in El Cajon, California on May 30, 2009. The PCP Team traveled to California on Thursday morning, May 28th and returned on Sunday, May 31st. PCP students won several medals and trophies. Jenifer Brown, Janelle Ingram and Elliott Rodgers were on the second overall ranked high school team. A photo essay about the trip is attached. Congratulations to all of the participants and winners.

Student Name	Science Decathlon Competitions	Recognition
Hannah Allison	Marine Biology Scientific Method Amphibians & Reptiles Geotrekker	Participation Participation 1 st Place 3 rd Place
Adam Belcher	Four n Six Crane fly Amphibians & Reptiles	Participation Participation 1 st Place
Jenifer Brown 2 nd Place Overall Team	Scientific Method Marine Biology Science Fair 13 Test Tubes	2 nd Place 1 st Place 2 nd Place 2 nd Place
Janelle Ingram 2 nd Place Overall Team	Science Fair Crane fly Tower Breaking	2 nd Place Participation Participation
Conrad Kempski	Four n Six Crane Fly 13 Test Tubes Geotrekker	Participation Participation Participation 3 rd Place
Elliott Rodgers 2 nd Place Overall Team	Tower Breaking Crane fly Four n Six Geotrekker	Participation Participation Participation Participation
Jalecia Sherrill	Marine Biology Scientific Method 13 Test Tubes Tower Breaking	Participation Participation Participation Participation
