FEATURED COURSE:

1st Summer Session

SLAV 167/PWAD 167 "ETHNIC CONFLICTS IN THE FORMER YUGOSLAVIA"

This course focuses on factors leading to the breakup of Yugoslavia, the nature of the conflicts throughout the 1990s, and the various efforts of the international community to end conflict and promote post-conflict reconstruction and development. We will explore how ethnic identity and nationalist mobilization have developed and transformed up to most recent events. We will also examine the evolution of international intervention from the beginnings of the conflict through current efforts. We will end by discussing implications for nation building in Iraq and beyond. Summer Session 1, 2004, 11:30-1:00, MTWRF
Instructor: Dr. Robert M. Jenkins (Director, Center for Slavic, Eurasian, and East European Studies)
