Before you can apply for your visa, this form must be returned with original copies of all necessary supporting documentation to the Administrative Director of the Trans-Atlantic Masters Program, CB#3449, UNC Chapel Hill, 27599-3449. Once these materials are received, UNC's Center for International Student and Scholar Services will produce an 'I-20' form, which you will need to apply for your visa.

As an international student applicant, you are required by United States federal regulations to certify that you have sufficient funds to cover your expenses at the University of North Carolina at Chapel Hill for the entire length of your studies. PLEASE NOTE: this form must be completed by every international student seeking admission, including applicants who may receive TAM tuition remissions. The visa document will be issued only after this certificate, and the requested financial documentation, has been received and approved, and after you have been offered admission. A current ESTIMATE of minimum expenses for the Fall Semester (TAM Core and US national module for TAM Track I) or full year (TAM Track II) at UNC follows.

Estimated expenses to be paid before and during the 2008 Fall Semester at UNC-CH

TAM Tuition for the fall '09 and spring '10 semesters (to be paid while in Chapel Hill)	\$10,000
Required Health Insurance (for the semester - please double if applying for TAM Track II)	\$1,000
Books, Room, Board, & Personal Expenses (Fall, Chapel Hill - please double if applying for TAM Track II)	\$6,500
Total Estimated expenses for fall 2009	\$17,500
Total Estimated expenses for fall 2009 and spring 2010	\$25,000

In computing your expenses, keep in mind that students holding Student (F) or Exchange Visitor (J) visas will not be authorized to work off-campus except under extraordinary circumstances. Therefore, the applicant should not expect employment, either part-time during the academic year, or full-time during the summer, to be a significant means of support while at the University of North Carolina. Under no circumstances are students allowed to work full-time during the academic year. Spouses of F-1 student visa holders are not permitted to work under any circumstances.
