General Education Implementation Committee

Tuesday, October 28, 2003

3:00-5:00pm

011 Graham Memorial

1. Rethinking the Course Numbers for Foreign Language Courses
2. Criteria Document Revisions: Social Sciences formatting, Supplemental Gen Ed. (Rhetoric: no changes)
3. Proposed Revision (again) to the North Atlantic World criteria (from faculty in Classics, Religious Studies, and Art History)
4. Update on Communications with Schools, Departments, and Curricula
5. Oral Communication for students who place out of Rhetoric: Alternate methods for meeting it<sup>1</sup>
6. Update on the Online Form for Faculty (Leif Forer)

---

<sup>1</sup> The Administrative Boards asked the Implementation committee to: “establish a fair and effective means for students who place out of English Composition to get comparable instruction in oral communication. This might mean, for example, requiring these students to take *one* of the following: a First Year Seminar, an Honors course; a Capstone course, or a second Communications Intensive Connections course” (“Responding to ‘Making Connections’”, p. 4).
