

Speakers By Name - Alan G. Finkel, M.D.

Alan G. Finkel, M.D.

Alan Finkel is assistant clinical professor of neurology and director of the University Headache Clinic. His talks address the nature, meaning, and treatment of headaches, how we as a society deal with the crucial decisions about pain relief and issues at the end of life, and the exciting advances in understanding neurological diseases such as migraines, Alzheimer's, Parkinson's, and multiple sclerosis

Speech Topics:

- Oh My Head!
- The Brain, Pain, and Death
