FROM: 2002 Information Technology Awards Committee
RE: 2002 Information Technology (IT) Award Call for Nominations
DATE: February 12, 2002

Here's your golden opportunity to honor an individual or team who has given you outstanding computer support: nominate them for a 2002 Information Technology (IT) Award.

These awards honor any type of information technology support on campus, from someone who provides front-end computer support to someone who installs cables, from a network administrator to a library information specialist. This is an excellent way to let your IT support staff know you appreciate what they do.

A nomination should include the nominee's name(s), department, telephone number, email address, and no more than a page of text explaining why this individual or team deserves to be recognized. The nomination should also include the nominator's name, the relationship to the nominee, campus address, phone number, email address, and an indication of whether the information can be shared with the nominee. Please submit your nomination by March 18th via the IT Awards website at <http://itawards.unc.edu> or campus mail to Penny Ward and Mark Wampole, CB#8146. If you have questions, please contact the committee at itawards@unc.edu. **Winners will be announced at the IT Awards Banquet, April 17th at the Carolina Club.**

Last year's award winners are not eligible for this year's awards. They are Brent Engel, Elaine Tola, Jason Li, William Jiang, Laura Christopherson, Joe Morris, Phil White, and Robin Matlock. Team award winners are School of Education – Doug Edmunds and Clint Kale, and South Building – Leslie Kreizman, Mark Wampole and Penny Ward.
