Office of Faculty Governance

Sue E. Estroff  
Chair of the Faculty

203 Carr Building  
Campus Box 9170  
Chapel Hill, NC 27599-9170

September 14, 2000

Dear Deans and Department Chairs:

You and the faculty members in your departments and schools are receiving invitations to celebrate the University's birthday on October 12 and the installation of our ninth Chancellor, James Moeser. This is an important day in the life of the University, as well as a day for all of us to reflect on and nourish our commitments to the University.

Please encourage the faculty in your departments and schools to attend. Attached is a sign-up sheet for members of your department to indicate their intentions to participate. If you have the means, we encourage you to assist faculty with rental of regalia. We need a count so we can arrange for seating and plan for the picnic following the ceremony. Please return the sign-up sheet by September 25 to Jeff Sturkey, Installation Coordinator, Campus Box 6220.

In addition to the Installation Ceremony, we will host a symposium at 3:00 p.m. in Carroll Hall, on "the Future of the American Research University." Moderated by President Molly Broad, scheduled panelists include: H. Bryce Jordan, president emeritus of the Pennsylvania State University; The Honorable Howard N. Lee, North Carolina State Senator and Co-Chair of the Education Committee; C. Peter Magrath, president of NASULGC and former president of the University of Minnesota; and William C. Richardson, president and CEO of W. K. Kellogg Foundation and former president of Johns Hopkins University.

If your faculty need information on purchasing or renting regalia, please have them contact Eve Bradshaw at Student Stores. She can be reached at 962-2427, or by email at [ebadshaw@store.unc.edu](mailto:ebadshaw@store.unc.edu). Orders for rentals, regalia from other institutions, or custom regalia orders should be received by September 29.

For the most current information on the Installation of Chancellor Moeser and other University Day events, please consult the installation web site at [www.unc.edu/chan/installation](http://www.unc.edu/chan/installation). Information on this site includes parking, the academic procession, the faculty symposium, and is updated regularly.

Thank you for encouraging others to participate in University Day. We look forward to seeing you on October 12.

With best wishes,

Professor Ron Hyatt  
Faculty Marshal

Professor Sue Estroff  
Chair of the Faculty
