Old Time Square Dancing

1. They had to have a wooden floor to square dance on?
2. There was always someone on hand who could play a guitar, a fiddle, or an accordion.
3. The new square dancing was displaced in our mushrooming cities. It survived only in isolated areas.
4. If one was around, fine; if not, they did dances that they remembered or that someone in the group could prompt.

Square Dance at School
