We are extremely excited to announce that the upcoming Crosstalk will feature an exciting guest speaker, **Bob Belle** from the Southern Regional Education Board. Bob is a dynamic speaker who will provide an interactive presentation focusing on “Life after the Ph.D” including topics such as job opportunities with a PhD, how and when to look for jobs, and making the transition from graduate school to the work world.

As always, **DINNER WILL BE SERVED** and there will be time to socialize with fellow graduate students from other institutions.
