You spoke when we asked for your feedback about Graduate Student Crosstalks and we have listened...

This school year's Kickoff Graduate Student Crosstalk will provide lots of opportunities for networking and socializing.

The event will feature opportunities to casually interact with graduate students from other area universities, structured discussions, and even some fun competitions!!

This is a great networking opportunity, and a chance to take a break from your schoolwork for a bit and socialize!! As a change for this Crosstalk, we will be serving reception style heavy appetizers instead of a sit down meal to further promote mixing, mingling, and networking.

RSVP by November 5th
