

BULK ORDER ITEM LIST

I will be making a bulk order this weekend and periodic bulk orders throughout the semester from either bhphotovideo.com or adorama.com, so if you are not ready to order now, rest assured I'll make another order in a few more weeks. The main reason we do bulk orders for our members is that these huge photo supply stores offer discounted prices, yet shipping can be expensive, especially if you don't want to order much. If you'd like to support the locals and see what's available in-person, visit Southeastern Camera on Main St., kind of across the street from Aki-Hana Japanese restaurant (<http://www.southeasterncamera.com/carrboro.html>). And show ID for a 10% student discount.

At the general interest meeting (Wed Sept 14th, 5:30pm (early-bird sign-up) in the Great Hall) there will be a bulk order sign-up sheet available so that you may select items you wish to order and pay with check at the meeting. Otherwise, please pay with exact change or check during the office hours I will hold in the darkroom the days following the meeting: 4pm-7:15pm Thursday Sept 15th, and 12:30-1:30 Friday Sept. 16th. If you can't make any of these times, again let me know by email and I'll see what we can do so that I receive your order and payment before making the bulk order.

*Please add \$2 to your order to pay for shipping and handling.

If you have any questions, for instance about what these are, email cpa@unc.edu. As soon as I have website access I'll post the difference between the items and refer you to informative websites. If you wish to order something that is not on this list, again email cpa@unc.edu. Prices online will be determined and I will do my best to accommodate you.

Customizable Starter Packets – only \$1 shipping (subject to \$2 if large quantity ordered)
