Coming Soon! New and Improved World View Website

North Carolina in the World is a statewide collaborative project, coordinated by the

Center for International Understanding, to prepare students to be citizens, workers, and leaders in the global age of the 21st Century.

<http://ciu.northcarolina.edu>

The Public School Forum of NC is a not-for-profit policy think tank which is a partnership of business leaders, education leaders, and government leaders in North Carolina.

www.ncforum.org

World View, a public service program of the University of North Carolina at Chapel Hill, helps educators prepare students to succeed in an interconnected world by integrating global studies into every area of the curriculum.
