

DIRECTIONS TO WORLD VIEW OFFICE

(3rd floor, 208 North Columbia Street)

From Hwy 15-501 heading south toward Chapel Hill, turn right at the fork in the road that leads from 15-501 to Franklin Street. Follow Franklin Street for approximately 2.5 miles unto the UNC campus. Once you reach the post office and the business district, prepare to turn right at the big intersection, on to North Columbia Street. Follow North Columbia just past the next intersection (Rosemary), past the Centura Bank on the corner on the right, and past the Centura parking lot. Turn right into the next, narrow parking lot. Three visitor's spots are available on the right as you enter.

Building 208 is at the left of the narrow parking lot. Entering at the front door leads to the second floor. Take the stairs at the left, or the elevator at the right, up to the third floor. World View is on the left, through room 305.
