

**Cindy Irene Hogan**  
Curriculum Vitae

**Born** December 22, 1973, Massachusetts  
**Citizenship** United States of America  
**Address** CB# 3280, Coker Hall Department of Biology,  
University of North Carolina -Chapel Hill  
Chapel Hill, NC 27599  
**E-mail** chogan@email.unc.edu  
**Website** www.unc.edu/~chogan

**Education**

1997- University of North Carolina at Chapel Hill,  
1992-1996 University of Miami, Department of Biology, Bachelors of Science  
with Honors  
1992-1996 University of Miami, Marine Science Department, Bachelors of  
Science  
1994 Flinders University, Adelaide, Australia Study Abroad Department  
of Biology

**Fellowships and Grants**

2002 UNC Graduate School Off Campus Dissertation Fellowship  
2002 Explorers Club Award  
2002 UNC Department of Biology Wilson Award  
2001 Sigma Xi Grants in Aid of Research  
2000 UNC Department of Biology Wilson Award  
1999 UNC Department of Biology Wilson Award  
1997 UNC Graduate School Fellowship

## **Honors**

- 1996 Outstanding Senior Thesis Award from the Department of Biology University of Miami “Cultural and geographic variation in Boat-tailed grackle song” Advisor: Dr. William Searcy
- 1995 Treasurer, Marine Science Honor Society, University of Miami

## **Professional Experience**

- 1997 Research Assistant, Pymatuning Lab of Ecology, Dr. William Searcy, Dr. Steve Nowicki, and Dr. Melissa Hughes
- 1996 Research Assistant, Pymatuning Lab of Ecology, Dr. William Searcy, Dr. Steve Nowicki, and Dr. Melissa Hughes
- 1996 Independent Research Project with Randall Bernot at Pymatuning Laboratory of Ecology on the predator avoidance behavior of snails (*Planorbella sp.* and *Physella sp.*) from different natural populations.
- 1996 Senior Thesis Research directed by Dr. William Searcy, Everglades National Park and Miami-Dade Parks

## **Teaching Experience**

- 2002 Mentor to Dana Moseley. Honors Thesis on Buff-throated Woodcreepers
- 2001 Johnston Center for Undergraduate Excellence - Graduate Student Mentor to Meredith Harding. Honors Thesis Title, “Correlates of nesting success in Carolina Wrens and their implications for monogamy.”
- 1999 UNC Technology Improvement Grant – Animal Behavior Lab
- 1998 Animal Behavior Lab (also taught 1999, 2000, 2001)
- 1998 Human Anatomy Lab (Adam computer tutorial)
- 1997 Comparative Vertebrate Anatomy Lab (also taught 1999, 2001)

### **Meeting Presentations**

- 2002 International Society for Behavioral Ecologists, University of Quebec at Montreal, Quebec, Canada
- 2000 American Ornithologists Union, Memorial University of Newfoundland St. John's, Newfoundland, Canada “
- 1999 American Ornithologists Union, Cornell University, Ithica, New York  
“Cultural and geographic variation in Boat-tailed Grackle song.”

### **Papers**

- 1998 W.A. Searcy , S. Nowicki , and C. Hogan Song type variants and aggressive context *Behavioral Ecology and Sociobiology* 48: 0358-0363.
