

Introduction to Empirical Finance

Instructor: Eric Ghysels

Data download instructions

Students taking the class for credit can download data by creating a WRDS account. Here is the process.

Go to http://wrds.wharton.upenn.edu/wrdsauth/account_req.shtml

Use the pull down menu to select PhD as the type of account

Use the pull down menu to select University of North Carolina at Chapel Hill as the School

Then fill in the rest of the form as appropriate.

When you have finished filling out the form click on submit request. It will take some time to approve the account. Once this is done and e-mail with instructions will be sent and the student will need to SET their own password.
