PROFESSIONAL EXPERIENCE

InteCap, Inc., A Subsidiary of Charles River International

August 2002-June 2004

Analyst, Chicago, Illinois

- Used regression analysis to determine commercial success in patent infringement litigation involving the pharmaceutical industry
- Was the lead analyst on a successful, precedent setting litigation matter involving the dumping of foreign printing presses into the United States
- Provided financial modeling for use in determination and quantification of damages and helped draft expert reports in several intellectual property litigation matters
- Used cross-price elasticity studies, concentration indices and measures of market power to define the relevant market, assess the existence of market power, evaluate antitrust injury and determine harm to competition in multiple antitrust cases

Deloitte Consulting

May 2001-August 2001

Summer Intern, Health Care Group, Cincinnati, Ohio

- Worked on a major hospital/clinic merger and acquisition project in which the team recommended process changes resulting in \$10+ million savings for the supply services division
- Utilized research capabilities to conduct market research and define benchmarking measures for major academic hospitals for use in practice development projects and for final recommendations to client
