

Jeffrey P. Lozito – Curriculum Vitae

Psychology & Neuroscience
Duke University
Box 90086, 9 Flowers Drive
Durham, NC 27708-0086

400-H Golden Horseshoe Circle
Morrisville, NC 27560

Work Phone: (919) 660-5739
Work Fax: (919) 660-5726
Email: jeff.lozito@duke.edu
Website: <http://www.unc.edu/~jlozito>

Home Phone: (919) 342-5034
Cell Phone: (919) 414-5759

Citizenship: USA

Current Position

Postdoctoral Research Associate, Duke University
Advisor: Dr. Elizabeth J. Marsh

Education

- Ph. D. in Cognitive Psychology, The University of North Carolina, 2007
Dissertation Advisor: Dr. Neil W. Mulligan
- M. A. in Cognitive Psychology, The University of North Carolina, 2004
Thesis Advisor: Dr. Neil W. Mulligan
- B. S. in Psychology, Virginia Polytechnic Institute and State University, 2001

Academic Awards and Grants

- Travel Grant. Awarded by the Graduate School at the University of North Carolina.
- Travel Grant. Awarded by the L. L. Thurstone Psychometric Laboratory.
- The Lyle V. Jones Award for Excellent Scholarship. Awarded by the L. L. Thurstone Psychometric Laboratory.
- Baughman Dissertation Completion Award. Awarded by the Psychology Department at the University of North Carolina.

Research Interests

- The role of attention in memory (retrieval)
- Implicit vs. explicit memory
- Encoding/retrieval overlap
- Generative processing in memory
- Distinctiveness and memory
- The genesis of false memories
- Memory and education

Peer-Reviewed Journal Articles

- Mulligan, N. W. & **Lozito, J. P.** (2007). Order information and free recall: Evaluating the item-order hypothesis. *Quarterly Journal of Experimental Psychology*, *60*, 732-751.
- Lozito, J. P.**, & Mulligan, N. W. (2006). Exploring the role of attention during memory retrieval: Effects of semantic encoding and divided attention. *Memory & Cognition*, *34*, 986-998.
- Mulligan, N. W. & **Lozito, J. P.** (2006). An asymmetry between memory encoding and retrieval: Revelation, generation, and transfer-appropriate processing. *Psychological Science*, *17*, 7-11.
- Mulligan, N. W., **Lozito, J. P.**, & Rosner, Z. A. (2006). Generation and context memory. *Journal of Experimental Psychology: Learning, Memory, and Cognition*, *32*, 836-846.
- Bayen, U. J., Erdfelder, E., Bearden, N. J., & **Lozito, J. P.** (2006). The interplay of memory and judgment in effects of aging on hindsight bias. *Journal of Experimental Psychology: Learning, Memory, and Cognition*, *32*, 1003-1018.
- Smith, R. E., **Lozito, J. P.**, & Bayen, U. J. (2005). Adult age differences in distinctive processing: The modality effect on false recall. *Psychology and Aging*, *20*, 486-492.

Book Chapters

- Mulligan, N. W., & **Lozito, J. P.** (2005). Self-Generation and memory. In B. H. Ross (Ed.) *Psychology of Learning and Motivation* (pp. 175-214). San Diego: Elsevier Academic Press.

Manuscripts in Preparation

- Lozito, J. P.**, Hutson, M. B., & Marsh, E. J. (manuscript in preparation). Narrative focus and autobiographical retellings of scripted events.
- Lozito, J. P.** (manuscript in preparation). The effects of dividing attention during long-term memory retrieval: A multiple memory systems approach.
- Lozito, J. P.**, & Mulligan, N. W. (manuscript in preparation). Exploring the role of attention during implicit memory retrieval.
- Smith, R. E., **Lozito, J. P.**, Payne, T., & Engle, R. W. (manuscript in preparation). Working memory capacity influences expression of the modality effect in false recall.

Posters/Presentations

- Mulligan, N. W., & **Lozito, J. P.** Order Information and Free Recall: Evaluating the Item-Order Hypothesis. Paper presented at the Annual Meeting of American Psychological Society, Washington, DC, May, 2007.

Lozito, J. P., & Mulligan, N. W. Exploring the role of attention during implicit memory retrieval. Paper presented at the 2005 North Carolina Cognition Conference. The University of North Carolina, Chapel Hill, North Carolina, February 2005.

Lozito, J. P. Memory development: Memory & aging. Invited guest lecture, Introductory Psychology Course, The University of North Carolina, Chapel Hill, North Carolina, March 2006.

Lozito, J. P., & Mulligan, N. W. Exploring the role of attention during memory retrieval: Effects of semantic elaboration and divided attention. Poster presented at the 46th annual Psychonomic society meeting. Toronto, Ontario, Canada, November 2005.

Smith, R. E., Bayen, U. J., & **Lozito, J. P.** Adult age differences in distinctive processing: The modality effect on false recall. Poster presented at the 47th Tagung experimentell arbeitender Psychologen (Conference of Experimental Psychologists). Regensburg, Germany, April 2005.

Lozito, J. P., & Mulligan, N. W. Exploring the role of attention during memory retrieval: Effects of semantic elaboration and divided attention. Paper presented at the 2005 North Carolina Cognition Conference. Wake Forest University, Winston-Salem, North Carolina, February 2005.

Mulligan, N. W., & **Lozito, J. P.** Generation and Context Memory. Paper presented at the 45th annual Psychonomic society meeting. Minneapolis, Minnesota, November 2004.

Lozito, J. P., & Mulligan, N. W. A double dissociation between memory encoding and retrieval. Poster presented at the 2004 North Carolina Cognition Conference. Duke University, Durham, North Carolina, February 2004.

Mulligan, N. W., & **Lozito, J. P.** Dissociations between memory encoding and retrieval. Paper presented at the 44th annual Psychonomic society meeting. Vancouver, British Columbia, Canada, November 2003.

Society Memberships

American Psychological Association (APA).

Teaching Experience

At The University of North Carolina:

- Sensation & Perception
 - Teaching Assistant (TA): Fall, 2003
 - Teaching Fellow (TF): 2004 (2 times); 2006-2007 (2 times)
- Statistical Principles in Psychology
 - TA: 2001-2002 (3 times); 2004-2005 (2 times)
 - TF: 2003 (2 times)
- Research Methods in Psychology
 - TA: 2005-2006 (4 times)

Teaching Interests

- Introduction to Cognition; Human Memory

Service

- Ad Hoc Reviewer: *Memory & Cognition*, *Memory*, *Experimental Psychology*, *Quarterly Journal of Experimental Psychology*
