Soci111 – Human Societies

Professor François Nielsen

Team Assignment Questionnaire

Your Name: _____

The following questions are intended to provide information about you that will help us assign you to a team for presentation on a human society.

1. If there are other students in the class you would especially like to work with, please write their names here (maximum of 3):
 - (1)
 - (2)
 - (3)
2. If you grew up in the US, in what US State did you spend most of your life? If so, what fraction of your life is that?
3. Did you spend a substantial part of your life in a country other than the US? If so, which? If so, would you be willing to participate in a presentation on that society?
4. Do you (for any reason) have a strong interest and/or knowledge about a society other than the US (even though you have not resided in that society for an extended period)? Which? If so would you like to participate in a presentation about that society?
5. Anything else we should know about when we do the team assignments.
