Research & Consulting

- 8/2007 – present **Research Assistant.** University of North Carolina, Chapel Hill.
Fit multilevel models, generated graphics and tables for textbook on multilevel modeling. PIs: Dr. Patrick J. Curran & Dr. Daniel J. Bauer, Department of Psychology.
- 6/2007 – present **Consultant.** Duke University.
Discrimination and short and long-term risks for depression. NIMH K01 MH074942-01. PI: Dr. Laura S. Richman, Department of Psychology and Neuroscience.
- 6/2005 – 7/2006 **Senior Research Aide.** Duke University, Center for Child and Family Policy
Provided assistance in cleaning, managing and analyzing data by writing SAS programs. Helped in setting up an optical scanning unit for the center. Wrote technical reports on some Fast Track Project measures. Implemented an optical scanning unit with Teleforms. Supervisor: Dr. Rick H. Hoyle.
- 7/2002 – 8/2005 **Research Assistant.** National University of Singapore.
Collected, maintained and statistically evaluated data for an ongoing meta-analysis on cardiovascular reactivity to laboratory stressors. Cleaned data obtained from ecological momentary assessments and ambulatory impedance cardiography. PI: Dr. George D. Bishop, Department of Psychology.

Teaching

- 1/2003 – 4/2004 **Teaching Assistant,** National University of Singapore.
Conducted labs and classes, graded papers and provided consultation to undergraduates in the following courses: Research and Statistical Methods I, Social Psychology and Psychology in the Asian Context.

Service & Affiliations

- Service **Secretary,** Quantitative student organization (2007 – present)
- Affiliations American Psychological Association
