

**Assignment for Week Thirteen Recitations**

1. Make sure you have read Chapter 20, "Saving, Capital Formation and Financial Markets."
2. Solve problems 1, 3, 7, and 8 from the problem section at the end of the chapter. Write your answers to these problems in your journal and bring them to recitation. During recitation you will go over these and, time permitting, other problems from this chapter.
3. **There will be a quiz on one of the problems.**

**Looking Ahead**

1. The fifth and final journal assignment is due by the time of your recitation on December 2-3, 2009.
2. Your Teaching Assistant will collect your journal at the start of recitation on December 2-3 and return it to you in recitation on December 9-10. It is your responsibility to bring your journal to recitation. If you do not, it is your responsibility to bring your journal to your Teaching Assistant no later than 5:00 pm on the day of your recitation. Otherwise, you will be assessed a late penalty.
