

CURRICULUM VITAE

Todd E. Thiele, Ph.D.

Professor and Director of Research Services

Department of Psychology, Curriculum in Neurobiology, and Bowles Center for Alcohol Studies

University of North Carolina at Chapel Hill

Chapel Hill, NC

April, 2009

MAILING ADDRESS:

Department of Psychology
University of North Carolina at Chapel Hill
CB# 3270, Davie Hall
Chapel Hill, NC 27599-3270

PHONE/EMAIL:

Office: (919) 966-1519
Home: (919) 942-1570
Fax: (919) 962-2537
E-mail: thiele@unc.edu

PERSONAL DATA:

Citizenship: U.S.A.
Date of Birth: 13 January 1967
Place of Birth: Duluth, Minnesota
Family Status: married, two children

EDUCATION

- Ph.D. in Psychology, Kansas State University, 1995
- M.S. in Psychology, Kansas State University, 1992
- B.S. in Psychology, University of Wisconsin-Madison, 1989

ACADEMIC HISTORY

- 2008-Present Professor, Department of Psychology, University of North Carolina, Chapel Hill, NC.
- 2006-Present Director of Research Services, Department of Psychology, University of North Carolina, Chapel Hill, NC.
- 2005-Present Member, Interdisciplinary Obesity Center, University of North Carolina, Chapel Hill, NC.
- 2001-Present Member, Bowles Center for Alcohol Studies, University of North Carolina, Chapel Hill, NC.

- 2001-Present Member, Curriculum in Neurobiology, University of North Carolina, Chapel Hill, NC.
- 2004-2008 Associate Professor, Department of Psychology, University of North Carolina, Chapel Hill, NC.
- 2001-2004 Assistant Professor, Department of Psychology , University of North Carolina, Chapel Hill, NC.
- 1998-2001 Research Scientist, Alcohol and Drug Abuse Institute, University of Washington, Seattle, WA.
- 1995-1998 Postdoctoral Research Fellow, Department of Psychology, University of Washington, Seattle, WA.
- 1990-1995 Graduate Research Assistant, Department of Psychology, Kansas State University, Manhattan, KS.

ACTIVE GRANTS

- 2005-2009 Principal Investigator, Department of Defense Research Grant (W81XWH-06-1-0158): The Role of Neuropeptide Y (NPY) in Uncontrolled Alcohol Drinking and Relapse Behavior Resulting from Exposure to Stressful Stimuli. Total direct costs \$610,664.
- 2005-2009 Principal Investigator, National Institute on Alcohol Abuse and Alcoholism Research Grant (R01-AA015148): Melanocortin Neuropeptides and Ethanol Intake. Total direct costs \$724,800.
- 2005-2010 Principal Investigator, National Institute on Alcohol Abuse and Alcoholism Research Grant (renewal of R01-AA013573): The Role of Neuropeptide Y in Ethanol Intake and Sensitivity. Total direct costs \$906,250.
- 2009-2012 Principal Investigator, Department of Defense Research Grant (W81XWH-09-1-0293): Melanocortin and Opioid Peptide Interactions in the Modulation of Binge Alcohol Drinking. Total direct costs \$475,195.

COMPLETED GRANTS

- 2002-2005 Principal Investigator, National Institute on Alcohol Abuse and Alcoholism Research Center Grant Pilot Project (P60-AA011605): The Role of Protein Kinase A (PKA) in Neurobiological Responses to Ethanol. Total direct costs \$45,000.
- 2004-2005 Principal Investigator, Merck Pharmaceuticals Research Grant: The Effects of Neuropeptide Y Antagonists on Operant Self-Administration of Ethanol by C57BL/6J Mice. Total direct costs \$37,943.
- 2001-2005 Principal Investigator, National Institute on Alcohol Abuse and Alcoholism Research Grant (R01-AA013573): The Role of Neuropeptide Y in Ethanol Intake and Sensitivity. Total direct costs \$600,000.

- 1998-2003 Principal Investigator, National Institute on Alcohol Abuse and Alcoholism Career Development Grant (K01-AA00258): Neuronal Mediation of Ethanol-Induced Taste Aversions. Total direct costs \$374,378.
- 2002-2003 Principal Investigator, Merck Pharmaceuticals Research Grant: The Effects of Neuropeptide Y Antagonists on Voluntary Ethanol Drinking. Total direct costs \$17,925.
- 2001-2002 Principal Investigator, Junior Faculty Development Award from the University of North Carolina: The Role of Neuropeptide Y Receptors in Neurobiological Responses to Ethanol. Total direct costs \$5000.
- 2001-2002 Principal Investigator, Mason and Linda Stephenson Faculty Award, Psychology Department, University of North Carolina: The Role of Specific Neuropeptide Y Receptors in Neurobiological Responses to Ethanol. \$450.
- 2001 Principal Investigator, Alcohol and Drug Abuse Institute of the University of Washington Research Grant: The Role of Specific Neuropeptide Y Receptors in Neurobiological Responses to Ethanol and Diazepam. Total direct costs \$19,728.
- 1996-1995 Co-Investigator, Alcohol and Drug Abuse Institute of the University of Washington Research Grant: cFos Induction in Response to Alcohol and Tastes Paired with Alcohol in Alcohol-Preferring (P) and Alcohol-Nonpreferring (NP) rats. Total direct costs \$14,783.
- 1994-1995 Trainee, National Institute on Alcohol Abuse and Alcoholism Pre-Doctoral Fellowship (F31-AA05397): Memory Mechanisms of Learned Alcohol Aversions in Rats.

SPONSORED PRE- AND POST-DOCTORAL FELLOWSHIPS

- 2008-2011 Pre-Doctoral Individual National Research Service Award, Angela M. Sparrow, National Institute on Alcohol Abuse and Alcoholism (F31-AA017818): Stress-Induced Increases of Ethanol Intake: The Role of Neuropeptide Y (NPY).
- 2008-2011 Pre-Doctoral Individual National Research Service Award, Emily G. Lowery, National Institute on Alcohol Abuse and Alcoholism (F31-AA017803): CRF Signaling in Stress- and Dependence-induced ethanol consumption.
- 2006-2008 Pre-Doctoral Individual National Research Service Award, Dayna M. Hayes, National Institute on Alcohol Abuse and Alcoholism (F31-AA016716): PKA and NPY Signaling in Ethanol-Induced Sensitization.
- 2005-2007 Pre-Doctoral Individual National Research Service Award, Jon R. Fee, National Institute on Alcohol Abuse and Alcoholism (F31-AA015877): The Role of PKA and Stress in Ethanol Sensitization.
- 2005-2007 Pre-Doctoral Individual National Research Service Award, Dennis R. Sparta, National Institute on Alcohol Abuse and Alcoholism (F31-AA015875): The Role of NPY on the Alcohol Deprivation Effect.

2005-2007 Post-Doctoral Individual National Research Service Award, Frank M. Ferraro, National Institute on Alcohol Abuse and Alcoholism (F32-AA015878): The Role of the NPY Y1 Receptor in Ethanol Relapse.

AWARDS

2009 W. N. Reynolds Competitive Leave Award (for sabbatical leave during the Spring Semester of 2010).

1997, 1998 Junior Investigator Awards from the Research Society on Alcoholism (award supported by NIAAA).

1999 Glaxo Wellcome travel award to attend the 5th International NPY Meeting (\$1000).

1995 Merit Award from the Research Society on Alcoholism (award supported by NIAAA and RSA).

CONVENTION PRESENTATIONS AND POSTERS

1. Thiele, T. E., Hayes, D. M., Knapp, D. J., Breese, G. R., & McCown, T. J. (2006). Adeno-associated NPY viral vector transduction in the nucleus accumbens and amygdala alters ethanol sensitivity in mice. Talk presented at the 8th International NPY meeting, St. Petersburg, FL.
2. Fee, J. R., Sparta, D. R., Picker, M. J., & Thiele, T. E. (2004). Increased ethanol drinking by RII β knockout mice: Assessment of genetic background and testing procedures. Poster presented at the Fourth Annual Guze Symposium on Alcoholism, St. Louis, MO.
3. Thiele, T. E. (2003). Voluntary ethanol consumption is modulated by central melanocortin receptors. Talk presented at the annual meeting of the Research Society on Alcoholism, Fort Lauderdale, FL.
4. Thiele, T. E. (2002). Altered ethanol-induced sedation and ethanol drinking in mutant mice lacking specific NPY receptor. Talk presented at the annual meeting of the Research Society on Alcoholism, San Francisco, CA.
5. Thiele, T. E. (2001). Altered voluntary consumption of ethanol in mutant mice lacking either the NPY Y1 or Y2 receptor. Talk presented at the 6th International NPY meeting, Sydney, Australia.
6. Thiele, T. E. (2001). Altered voluntary consumption of ethanol in protein kinase A-mutant mice. Poster presented at the Genes and Gene Delivery for Diseases of Alcoholism Conference, Chapel Hill, NC.
7. Thiele, T. E. (2000). Neuropeptide Y (NPY) signaling modulates voluntary ethanol consumption and acute intoxicating effects of ethanol. Talk presented at the annual meeting of the European Winter Conference on Brain Research, Villars, Switzerland.
8. Thiele, T. E. (2000). Transgenic and knockout mouse models: Powerful tools for investigating the neurobiology of alcoholism. Talk presented at the annual meeting of the Research Society on Alcoholism, Denver, Colorado.
9. Thiele, T. E. (1999). Ethanol consumption and resistance are inversely related to neuropeptide Y levels. Talk presented at the 5th International NPY meeting, Grand Cayman Island.
10. Roitman, M. F., Thiele, T. E., Bernstein, I. L., & van Dijk, G. (1999). Conditioned over-eating is blocked by a dopamine (DA) antagonist. Poster presented at the annual meeting of the Society for the Study of Ingestive Behaviors, Clearwater, FL.
11. Thiele, T. E. (1999). Co-expression of ethanol-induced c-Fos with neuropeptide Y and tyrosine hydroxylase in rat brainstem neurons. Talk presented at the annual meeting of the Research Society on Alcoholism, Santa Barbara, CA.

12. Thiele, T. E., van Dijk, G., Seeley, R. J., Woods, S. C., & Bernstein, I. L. (1998). Central mechanisms involved in taste aversion learning: Implications for ingestive behavior. Talk presented at the annual meeting of the European Winter Conference on Brain Research, Bourg St. Maurice, France.
13. van Dijk, G., Thiele, T. E., Donahey, J. C. K., Seeley, R. J., Bernstein, I. L., Campfield, L. A., & Woods, S. C. (1997). Action of anorectic compounds in fore- and hindbrain: Their role in regulating body weight homeostasis. Talk presented at the annual meeting of the European Winter Conference on Brain Research, Bourg St. Maurice, France.
14. Bell, S. M., Thiele, T. E., Seeley, R. J., Bernstein, I. L., & Woods, S. C. (1997). Effects of food deprivation on amphetamine-induced conditioned taste aversions (CTA) in rats. Poster presented at the annual meeting of the Society for the Study of Ingestive Behavior, Baltimore, MD.
15. Seeley, R. J., van Dijk, G., Blake, K., & Thiele, T. E. (1997). The role of glucagon-like-peptide-(7-36)-amide (GLP-1) in the control of food intake and mediating visceral illness in the CNS. Talk presented and the meeting of Brain Mechanisms of Ingestion and Gastrointestinal Physiology, Durham, England.
16. Thiele, T. E., & Frieman, J. (1995). *Post-Training Revaluation of Discriminative Stimuli: Evidence of S-R associations*. Talk presented at the annual meeting of the Psychonomic Society, Los Angeles, California.
17. Thiele, T. E. & Bailey, S. A. (1994). *Taste-Taste Conditioning: Further Evidence of Overshadowing*. Poster presented at the annual meeting of the Southwestern Psychological Association, Tulsa, Oklahoma.
18. Thiele, T. E., Frieman, J., & Tani-Harris, J. (1994). *Post-Training Devaluation of the Discriminative Stimulus: Evidence of S-R Associations*. Talk presented at the annual meeting of the Midwestern Psychological Association, Chicago, Illinois.
19. Kiefer, S. W., Thiele, T. E., & Badia-Elder, N. E. (1994). *Delayed Generalization Testing Produces Stronger Alcohol Aversions in Rats*. Poster presented at the annual meeting of the Psychonomic Society, St. Louis, Missouri.
20. Bailey, S. A., & Thiele, T. E. (1993). *Taste Avoidance to a Bitter Substance in Pigeons*. Poster presented at the annual Great Plains Students' Psychology Convention, Maryville, Missouri.
21. Thiele, T. E., Bailey, S. A., & Kiefer, S. W. (1993). *Taste-Taste Conditioning: Overshadowing Instead of Potentiation*. Poster presented at the annual meeting of the Southwestern Psychological Association, Corpus Christi, Texas.
22. Thiele, T. E., & Frieman, J. (1993). *Pre-Potentiation Exposure to Conditioned Stimulus Versus No Pre-Exposure: Evidence of Within-Compound Associations*. Poster presented at the annual meeting of the American Psychological Society, Chicago, Illinois.
23. Thiele, T. E. & Frieman, J. (1992). *Non-Reinforced Compound Exposure Before Potentiation Training: The Effects on Within-Compound Associations*. Poster presented at the annual meeting of the Midwestern Psychological Association, Chicago, Illinois.

INVITED PRESENTATIONS

Department of Psychology, University of Illinois at Chicago, Chicago, Illinois (May, 2008). Talk titled *Diverse Roles for Neuropeptide Y in Neurobiological Responses to Ethanol*.

Department of Psychology, University of Alaska Anchorage, Anchorage, Alaska (April, 2008). Talk titled *The Role of Central Neuropeptides in Stress-Induced Alcohol Drinking*.

Bowles Center for Alcohol Studies, University of North Carolina, Chapel Hill, North Carolina (November, 2007). Talk titled *A Role for Neuropeptide Y (NPY) and Corticotropin Releasing Factor (CRF) in the Modulation of Neurobiological Responses to Ethanol*.

Department of Psychology, Clinical Program, University of North Carolina, Chapel Hill, North Carolina (February, 2007). Talk titled *The Role of Neuropeptide Y (NPY) in Ethanol Self-Administration*.

The Annual Meeting of the American College of Neuropsychopharmacology, Waikoloa, Hawaii (December, 2005). Invited speaker for a symposium titled *The Role of Feeding Neuropeptides in Alcohol and Drug Dependence*. Chaired by Drs. Michael Lewis and George Koob. Talk titled *Neuropeptide Y and Melanocortin Neuropeptides Regulate Alcohol Intake and Feeding: Are Overlapping Pathways Involved?*

Neuroscience Institute at the University of Tennessee Health Science Center, Memphis, Tennessee (November, 2005). Talk titled *Too Much Booze, Too Much Food: Overlapping Neuropeptide Control of Alcohol and Food Ingestion?*

Bowles Center for Alcohol Studies, University of North Carolina, Chapel Hill, North Carolina (October, 2005). Talk titled *Predictors of High Ethanol Consumption in Protein Kinase A Mutant Mice*.

Departments of Neurotoxicology and Psychopharmacology, Rovira i Virgili University, Tarragona, Spain (June, 2005). Talk titled *The Role of Neuropeptide Y in Alcohol Self-Administration*.

Sarah W. Stedman Nutrition and Metabolism Center, Duke University, Durham, North Carolina (February, 2004). Talk titled *Alcoholism and Obesity: Overlapping Neuropeptide Pathways?*

Gallo Alcohol Research Center, University of California, San Francisco, California (December, 2002). Talk titled *From Neuropeptides to Protein Kinase A: A Pathway to Alcoholism*.

National Institute on Alcohol Abuse and Alcoholism sponsored symposium at the annual meeting of the Society for the Study of Ingestive Behavior, Santa Cruz, California (August, 2002). Symposium titled *Peptides: Their Role in Excess Alcohol Drinking and Their Promise as a Therapeutic Tool*. Talk titled *The Relationship between Neuropeptide Y (NPY) and Ethanol-Related Behaviors in Mutant Mice Lacking Specific NPY Receptor and in Rats Selectively Bred for Alcohol Preference*.

National Institute on Alcohol Abuse and Alcoholism sponsored Satellite Symposium at the Annual Meeting of the Society for Neuroscience, San Diego, California (November, 2001). Symposium titled *Neurogenetics of Alcoholism*. Talk titled *Knockout and Transgenic Mouse Models: Powerful Tools for Investigating the Neurobiology of Alcoholism*.

Bowles Center for Alcohol Studies, University of North Carolina, Chapel Hill, North Carolina (November, 2001). Talk titled *Neuropeptide Y Y1 and Y2 Receptors Modulate Voluntary Consumption of Ethanol*.

Merck Research Laboratories, Department of Obesity Research, Rahway, New Jersey (December, 2000). Talk titled *Genetic and Pharmacological Approaches Towards Understanding the Neurobiology of Drug Reward and Aversion*.

Department of Behavioral Neuroscience, Oregon Health Sciences University, Portland, Oregon (October, 2000). Talk titled *Behavioral Characterization of Protein Kinase A-Mutant Mice*.

American Society for Addiction Medicine (ASAM), Chicago, Illinois (April, 2000). Invited speaker for a NIAAA sponsored symposium titled *Clinical Insights from Animal Models*. Talk titled *Gene Knockout and Transgenic Mouse Models: Powerful Tools for Investigating the Neurobiology of Alcoholism*.

Department of Psychiatry and Behavioral Sciences, University of Washington, Seattle, Washington (January, 2000). Invited speaker for a Grand Rounds lecture series. Talk titled *The Role of Neuropeptides in Voluntary Ethanol Consumption*.

National Institute on Alcohol Abuse and Alcoholism, Bethesda, Maryland (April, 1999). Invited speaker for a workshop/symposium titled *Neuropeptides and Alcohol Intake*. Talk titled *The Role of Neuropeptide Y in Voluntary Ethanol Consumption*.

Lilly Research Laboratories, Lilly Corporate Center, Indianapolis, Indiana (October, 1998). Talk titled *Simple Tests for Assessing Potential Aversive Side-Effects in Anorectic Compounds*.

University of Groningen, Department of Animal Physiology, Haren, the Netherlands (March, 1998). Talk titled *Mutant Mice Lacking Neuropeptide-Y Consume More Ethanol Relative to Wild-type Mice*.

TEACHING EXPERIENCE

- *Principles of Learning in Drug Abuse Research Seminar* (PSYCH 302/708), U. of North Carolina, Fall, 2004.
- *Learning* (PSYCH 22/222), U. of North Carolina, Fall, 2003, 2005, 2006; Spring 2008.
- *Neurobiology of Alcoholism Seminar* (PSYCH 302/708), U. of North Carolina, Spring, 2003, 2009.
- *Biological Bases of Behavior II* (PSYCH 202/702), U. of North Carolina, Spring, 2003, 2005, 2007.
- *Seminar in Experimental Psychology* (PSYCH 333/334), U. of North Carolina, Fall, 2002, 2004; Spring 2006.
- *Drugs and Human Behavior* (PSYCH 70/320), U. of North Carolina, Spring, 2002.
- *Alcohol and Substance Abuse Seminar* (PHCO728), U. of North Carolina, Guest Lecture, Spring 2006, 2008.
- *Drugs and Behavior*. Kansas State University, 1994.
- *General Psychology*. Kansas State University, 1992-94.
- *Principles of Learning*. Kansas State University, 1992-93.
- *Experimental Methods Laboratory*. Kansas State University, 1992, 1995.

DIRECT STUDENT AND POST-DOCTORAL FELLOW SUPERVISION

Post-Doctoral Fellow

- Frank Ferraro, Ph.D., 2004-2006.

Doctoral Students

- Jon Fee, Psychology Graduate Program, 2002-2007.
- Dennis Sparta, Psychology Graduate Program, 2002-2007.
- Dayna Hayes, Psychology Graduate Program, 2003-present.
- Emily Lowery, Psychology Graduate Program, 2006-present.
- Angela Sparrow, Psychology Graduate Program, 2006-present.
- Gretchen Sprow, Psychology, Graduate Program, 2008-present.

Dissertation & Masters Committees

- Angela Sparrow, Chair of Masters Thesis Committee, Psychology Graduate Program, 2008.
- Emily Lowery, Chair of Masters Thesis Committee, Psychology Graduate Program, 2008.
- Marina Spanos, Dissertation Committee, Neurobiology Curriculum, 2007-present.
- Dayna Hayes, Chair of Dissertation Committee, Psychology Graduate Program, 2007-present.
- Rebecca Klatzkin, Dissertation Committee, Psychology Graduate Program, 2007-present.
- Jeremy Day, Masters Thesis Committee, Psychology Graduate Program, 2006.
- Tiffany Wills, Dissertation Committee, Neurobiology Curriculum, 2006-2009.
- Jennifer Thomson, Dissertation Committee, Psychology Graduate Program, 2006-2009.
- Stephanie Traina, Masters Thesis Committee, Psychology Graduate Program, 2008.
- Rebekah Stevenson, Chair of Dissertation Committee, Neurobiology Curriculum, 2005-2008.
- Joshua Jones, Masters Thesis Committee, Psychology Graduate Program, 2007.
- Dennis Sparta, Chair of Dissertation Committee, Psychology Graduate Program, 2005-2007.
- Timothy Sauer, Dissertation Committee, Psychology Graduate Program, 2005-2007.
- Lisa Lomas, Dissertation Committee, Psychology Graduate Program, 2004-2007.
- Jon Fee, Chair of Dissertation Committee, Psychology Graduate Program, 2005-2007.
- Rebecca Klatzkin, Masters Thesis Committee, Psychology Graduate Program, 2006.
- Elizabeth Mechlin, Masters Thesis Committee, Psychology Graduate Program, 2006.
- Jonathan Hollander, Dissertation Committee, Psychology Graduate Program, 2003-2006.
- Jay Elliot, Dissertation Committee, Psychology Graduate Program, 2005.
- Ryan Lanier, Dissertation Committee, Psychology Graduate Program, 2004-2005.
- Garret Stuber, Dissertation Committee, Neurobiology Curriculum, 2003-2005.
- Jolan Turner, Dissertation Committee, Psychology Graduate Program, 2003-2005.
- Jameeliah Lane, Masters Thesis Committee, Psychology Graduate Program, 2005.
- Dayna Hayes, Chair of Masters Thesis Committee, Psychology Graduate Program, 2005.
- Jon Fee, Chair of Masters Thesis Committee, Psychology Graduate Program, 2004.
- Dennis Sparta, Chair of Masters Thesis Committee, Psychology Graduate Program, 2004.
- Andrew Barrett, Dissertation Committee, Psychology Graduate Program, 2001-2003.
- Kelly Carrigan, Dissertation Committee, Psychology Graduate Program, 2002.
- Jolan Turner, Masters Thesis Committee, Psychology Graduate Program, 2002.
- Jonathan Hollander, Masters Thesis Committee, Psychology Graduate Program, 2002.

Undergraduate Students

- Thomas Lunney, Undergraduate Independent Research (Psych 98/395), Spring 2009.
- Clodagh Mullen, Undergraduate Honors Thesis, Fall and Spring, 2006-2007.
- Erin Trado, Undergraduate Independent Research (Psych 98), Summer and Fall, 2005.
- Kimberley Cubit, Summer Pre-Graduate Research Experience Program, Summer 2004.
- Elizabeth Schenk, Undergraduate Independent Research (Psych 98), Fall 2002.
- Andreas Perlegas, Undergraduate Independent Research (Psych 98), Fall 2002.
- Benjamin Anderson, Undergraduate Honors Thesis Committee, Fall, 2001.

TRAINING GRANT MEMBERSHIP

- *Pre-doctoral Training in Research on Drug Abuse.* Funded by the National Institute on Drug Abuse. Department of Psychology, UNC-Chapel Hill (2001 to present).
- *Post-doctoral Fellowships in Molecular & Cellular Studies on Alcohol's Actions.* Funded by the National Institute on Alcohol Abuse and Alcoholism . Bowles Center for Alcohol Studies (2004 to present).

UNIVERSITY SERVICE

- **Member, Teaching Awards Committee.** 2007-present, Department of Psychology, University of North Carolina.
- **Member, Mentoring Committee for Rita Fuchs-Lochensgard, Ph.D.** 2007-present, Department of Psychology, University of North Carolina.
- **Alternate Member, Advisory Committee.** 2007-present, Department of Psychology, University of North Carolina.
- **Member, Building Space Committee.** 2006-present, Department of Psychology, University of North Carolina.
- **Member, Reappointment Sub-Committee for Rita Fuchs-Lockensgard, Ph.D.** 2007, Department of Psychology, University of North Carolina.
- **Director of Research Services.** 2006-present, Department of Psychology, University of North Carolina.
- **Panelist, Promotion Workshop.** 2009, Department of Psychology, University of North Carolina.
- **Chair, Search Committee for Grants Administrations Officer.** 2009, Department of Psychology, University of North Carolina .

- **Member, Search Committee for Biopsychology Program Assistant.** 2006-2007, Department of Psychology, University of North Carolina.
- **Member, Promotion Sub-Committee for Deborah J. Jones, Ph.D.** 2007, Department of Psychology, University of North Carolina.
- **Member, Reappointment Sub-Committee for Deborah J. Jones, Ph.D.** 2006, Department of Psychology, University of North Carolina.
- **Chair, Colloquium Committee.** 2007-2008, Department of Psychology, University of North Carolina.
- **Member, Colloquium Committee.** 2005-present, Department of Psychology, University of North Carolina.
- **Member, Psychobiology Faculty Search Committee.** 2004-2005, Department of Psychology, University of North Carolina.
- **Member, Training Program Committee.** 2005, Neurobiology Curriculum, University of North Carolina.
- **Member, Exam Committee.** 2005-Present, Neurobiology Curriculum, University of North Carolina.
- **Member, Admissions Committee.** 2005-2007, Neurobiology Curriculum, University of North Carolina.
- **Member, Executive Committee.** 2005-2007, Neurobiology Curriculum, University of North Carolina.
- **Interim Member, Administrative Boards of the College of Arts & Sciences and General College.** 2005, University of North Carolina.
- **Member, Building Improvement Committee.** 2004, Department of Psychology, University of North Carolina.
- **Chair, Animal Care and Use Committee.** 2002-present, Department of Psychology, University of North Carolina.
- **Member, Animal Care and Use Committee.** 2001-2002, Department of Psychology, University of North Carolina.
- **Member, Baughman Awards Selection Committee.** 2002, 2003, Department of Psychology, University of North Carolina.
- **Member, IACUC Subcommittee on protocol violations and sanctions.** 2002-2003. University of North Carolina.
- **Coordinator, Biopsychology Graduate Student Search Committee.** 2003, 2004, 2005. Department of Psychology, University of North Carolina.

Guest Editor, Special Issue of *Peptides* (Volume 28, Issue 2, 2007) on the Proceedings from the 2006 Neuropeptide Y Conference.

GRANT REVIEW STUDY SECTIONS:

- *National Institute of Health. Member, Neurotoxicology and Alcohol (NAL) Study Section* (July 1, 2008 to present).
- *North Carolina TraC\$10K Pilot Award Program.* University of North Carolina, Chapel Hill, NC (March, 2009).

- *National Institute of Health*. Ad hoc reviewer for the Neurotoxicology and Alcohol Study Section (2008/05 NAL) (February, 2008).
- *National Institute of Health*. Ad hoc reviewer for the Neurotoxicology and Alcohol Study Section (2008/01 NAL) (October, 2007).
- *National Institute on Alcohol Abuse and Alcoholism*. Ad hoc reviewer for a Special Emphasis Review Panel (ZAA1 CC(16)) (August, 2007).
- *Centers for Health Research*, Research Triangle Park, NC. Ad hoc fellowship reviewer (April, 2007).
- *Neuroendocrinology, Neuroimmunology, and Behavior Study Section of NIH*. Ad hoc reviewer (October, 2006).
- *Jeffress Trust grant review for Bank of America*, Richmond, VA (August, 2006).
- *National Institute on Alcohol Abuse and Alcoholism*. Ad hoc reviewer for a Special Emphasis Review Panel (ZAA1 DD(62)) (March, 2006).
- *National Institute on Alcohol Abuse and Alcoholism*. Ad hoc reviewer for a Special Emphasis Review Panel (ZAA1 DD(42)) (July, 2005).
- *National Institute on Alcohol Abuse and Alcoholism*. Ad hoc reviewer for a Special Emphasis Review Panel (ZAA1 DD(30)) (March, 2005).
- *National Institute on Alcohol Abuse and Alcoholism*. Ad hoc reviewer for a Special Emphasis Review Panel (ZAA1 HH (04)) (December, 2004).
- *National Institute on Alcohol Abuse and Alcoholism*. Ad hoc reviewer for the Biomedical Research Review Subcommittee (AA-1) (June, 2004).
- *Biotechnology and Biological Sciences Research Council*, Swindon, UK (2000).

CONFERENCES & SYMPOSIUMS ORGANIZED AND/OR CHAIRED

Co-Organizing the 8th NPY Meeting, St. Petersburg, Florida, 2006.

Co-Organized a symposium for the 2003 annual meeting of the Research Society on Alcoholism, Fort Lauderdale, Florida. Symposium titled *The Role of Ingestive Neuropeptides in the Regulation of Alcohol Self-Administration*.

Co-Organized and chaired a symposium for the 2002 annual meeting of the Research Society on Alcoholism, San Francisco, California. Symposium titled *Neuropeptide Y and Alcoholism: Genetic, Molecular, and Pharmacological Evidence*.

Chaired a session for the 2002 annual meeting of the Society for Neuroscience, Orlando, Florida. Session titled *Drugs of Abuse: Alcohol, Barbiturates, and Benzodiazepines II*.

Organized and chaired a symposium for the 2001 6th International NPY Conference, Sydney, Australia. Session titled *NPY and Drug Addiction*.

PROFESSIONAL ORGANIZATIONS

- International Society for Biomedical Research on Alcoholism
- Research Society on Alcoholism
- Society for Neuroscience
- American Psychological Society
