Committee Charge. Section 4-19 of The Faculty Code of University Government reads
as follows:

4-19. Faculty Committee on University Government. (a) The Faculty
Committee on University Government consists of seven members appointed by the
chancellor. The secretary of the faculty serves as an ex officio member.
(b) The committee is concerned with the continuing development, adaptation,
and interpretation of The Faculty Code of University Government. Subject to the powers
of the University’s Board of Governors and president, and of the Board of Trustees and
the chancellor of the University of North Carolina at Chapel Hill, the Code
represents legislation enacted by the faculty regarding forms of internal organization and procedures
at this institution which are deemed necessary for its fair and effective operation.
(c) The committee periodically reviews the existing Code and solicits
suggestions for its improvement; based on its review the committee recommends
appropriate amendments in the Code for consideration and vote of the General Faculty.
As provided under Article I of the Code, the committee considers and reports on other
proposals to amend the Code and also periodically makes appropriate adjustments of the
elective representatives in the Faculty Council. The committee considers and reports on
special questions of University governance which are referred to it by the chancellor or
members of the faculty. The committee is especially concerned with maintaining internal
forms and procedures of academic administration which reflect principles of democracy
and equity, vision and adaptability, and quality and responsibility, toward achieving the
intellectual aims of the University.
Report of Activities. Resolutions Presented and Adopted. The committee presented the following resolutions, which were approved by the General Faculty on the dates indicated:

Resolution 2006-1. Amending The Faculty Code of University Government as it Relates to the Membership of the University Committee on Copyright (approved on first reading on January 20, 2006, and adopted on second reading on February 17, 2006).

Resolutions Presented. The committee presents today the following resolution:

Resolution 2007-1. Amending The Faculty Code of University Government as it Relates to The Schools and Colleges; The General College; The College of Arts and Sciences; The Graduate School; The Summer School; Records, Registration, and Undergraduate Admissions; Administrative Board of Student Affairs; and Administrative Board of the Library.

Appendix 1

The Faculty Code of University Government was originally adopted in 1947, and has been frequently amended since that time, including a complete editorial revision in 1997. Because many inconsistencies have remained, and because faculty governance practices have continued to change, faculty chair Sue Estroff asked the Committee on University Government in 2002 to carry out a comprehensive review of the Code, with the intention of proposing amendments that promote consistency among provisions and bring the Code into conformity with current faculty governance practices. In several previous resolutions, beginning with Resolution 2003-11, the Council has amended Articles 1-5 of the Code dealing with the General Faculty; the Faculty Council; Officers of the Faculty; Committees; and Appointments, Promotions, and Tenure of Members of the Faculty. Resolution 2007-1 completes the review process by proposing revisions to Articles 6-13 of the Code.

In proposing these revisions, the committee has followed its charge of promoting consistency and bringing the Code into conformity with present practices. It is not our intention to introduce significant policy changes. Instead we see these revisions as clarifying and updating the Code, with the purpose of maintaining the strong role of faculty governance in the university.

Attached to this report are three documents: (1) a markup copy of Articles 6-12, showing changes to the present Code; (2) a commentary on the revisions, briefly summarizing the proposed changes; and (3) an engrossed copy, presenting the Code as it would read as revised.

Respectfully submitted,
Committee on University Government
