SUBJECT: Seminar Follow Up

Thank you for joining us at our Latin America and North Carolina Seminar. We enjoyed seeing many of you from past World View programs and were delighted to meet others for the first time. In this follow-up letter, I report on several aspects of the program and send additional resources.

Evaluations. We appreciate the feedback and suggestions many of you wrote on your program evaluations. We read your comments carefully, and will revisit them as we work to make our future programs even stronger. Your feedback is always valued.

Enclosures. Enclosed are several handouts that became available to us during the program. They address the issue of undocumented students and suggest ideas for further thought and discussion. A receipt of payment or invoice is also enclosed when applicable.

Speaker Presentations. In response to your many requests, we are posting speaker powerpoints and available handouts on our website as we receive them. In addition, if you want to continue discussion of Coming to Carolina del Norte, you can join an online group at http://groups.yahoo.com/Art_Narrative For more information, please email Art_narrative@yahoogroups.com

If you’re in the Carrboro region, Radio Pa'lante can be heard on Fridays from 5-6 pm at WCOM 103.5 FM. You can also access the show online at http://radiopalante.org/ Click on Escucha/Listen to access list of links to past broadcasts

We look forward to working with you again and to seeing you at our Annual Community College Fall Symposium November 14-15. The topic is “Best Practices in Global Education at Community Colleges from Around the United States.” I am enclosing a flyer with registration form. See you there!
