Examples of Why Study Development

• **Cloning:** Dolly, Cumulina, Starbuck, and you & me?

• **Genetic engineering/surgical intervention:** To be or not to be a 400 pound Carolina Linebacker?

• **Teratology—gross morphology:** A world without Amphibians?

• **Teratology—brain morphology and behavioral:** Would a dumbed down world be a better place to live?

• **Human fetal mortality:** Is this the price we should pay for breathing city air!

• **Reproduction:** Is globally lowered sperm viability any way to control population growth?
