North Carolina Traffic Stops: Individual Officer Search Rates of Black and White Drivers

Frank R. Baumgartner, Derek A. Epp, and Kelsey Shoub

UNC-CH Department of Political Science, email: Frankb@unc.edu

Based on official statistics provided by the NC Department of Justice and covering the period of Jan 1 2002 through Dec 31 2013. All calculations exclude checkpoint stops and passengers. Each dot represents a police officer; hollow dots indicate high disparity officers. For more information, see www.unc.edu/~fbaum/traffic. State Highway Patrol data covers 2000-2013.
